## Katzenjammer Announce New Single and UK Tour! Plus Free Download

*"The best gig of Glastonbury 2011" - Steve Lamacq*

*"Those searching for live entertainment of the highest calibre need look no further" - Cougar Microbes*

*"Will spread a smile on your face from the moment you press play" - Entertainment Focus*

Currently tantalising taste buds with their hotpot of cabaret and party-ready flavours, all-girl multi-instrumentalist Norwegian quartet Katzenjammer release their **new single 'Rock-Paper-Scissors' on May 7<sup>th</sup>**.

Rock-Paper-Scissors is a Balkan-tinged hoedown backed with pure pop sensibilities, sure to draw a grin on to the faces of all who listen. It's a gutsy, below deck fiddle jig which gives the banjo and mandolin a good airing, and is undeniably Katzenjammer.

Katzenjammer fever is spreading like wildfire and the band have been picked up by everyone from **6 Music – winning Steve Lamacq's Rebel Playlist** for track 'I Will Dance (When I Walk Away)' – to a 3-page feature in **The Sunday Times**, plus an ever-growing swell of online activity as they gear up to release their debut UK album '**A Kiss Before You Go**' – also out on **May 7<sup>th</sup>**.

Anne Marit, Marianne, Solveig and Turid take their insane, live carry-on to the UK for a **headline tour in May**, which will see them consolidate their increasing reputation as one of the most exciting live acts around.
